

RYAN CENTER RESPONSIBILITIES AT THE RYAN CENTER

All students, parents and coaches have a responsibility to help ensure The Ryan Center remains in good condition. The following gym/auditorium rules will help keep the facility in good condition:

- No food, drink or gum is permitted in the gym. For practices, players may have water or sports beverages in plastic, closed containers. These must be kept in the entryway, and are not permitted in the gym.
- No cans or soft drinks are permitted in the gym.
- No smoking or other tobacco products are permitted in the facility.
- Spectators are not permitted on the court during games (before, at halftime and after).
- Due to the sprinkler heads, no balls are permitted in the locker rooms at any time.
- Shoes worn to the gym will not be permitted on the gym floor. Players and cheerleaders must carry their playing shoes into the gym.
- Only soft rubber heeled and soled shoes are permitted on the gym floor.
- All events involving children must be supervised by an adult.
- Children are not permitted in the facility unless an adult is present.
- Students are not permitted to reenter the school once they arrive at the gym.
- Students are not permitted on the stage during practice or during a game (even if their parents are scorekeepers).
- Parents or guardians will be responsible for any damage to the gym/auditorium caused by their children.
- Spirit signs may be placed on the walls, however blue masking tape must be used.
- Students using the gym for any event are always expected to display positive behavior.

Coaches are responsible for the following facility maintenance:

- The first team using the gym for the day must sweep the floor prior to play.
- Dispose of the 'swiffer' cloth in either the garbage can in the closet or the concession area.
- The last team using the gym (or if you are unsure if you are the last team) for the day must sweep the floor, clean up trash, turn out the lights, inspect the bathrooms and check all entry doors to ensure they are locked.
- Any problems found during use of the facility need to be reported to either the school office or the custodian as soon as possible. Phone numbers can be found in the athletic closet or the concession stand.
